Thanks for the discussion, Kelly and Bill. FYI, here are this afternoon's briefing materials. Purpose is to prepare Jared for a follow-up conversation with the Colonel next week.

The agree/disagree table we just sent up (attached for HQ, too) makes reference to Corps precedent on groundwater. I had asked Liz to summarize the two cases below, which we have shared with LA District several times, but don't think I ever passed along the summary to you. They're separate decisions almost 20 years apart, but strangely both are for Colorado ski resort projects.
